Job Title: MEAN Stack Web Developer
Location: Gurgaon, Haryana
Company: Tech Innovators Pvt. Ltd.

Job Description:

Tech Innovators Pvt. Ltd. is seeking a talented and motivated MEAN Stack Web Developer to join our dynamic team. The ideal candidate will be responsible for designing, developing, and maintaining scalable web applications using the MEAN stack (MongoDB, Express.js, Angular, and Node.js). You will work closely with cross-functional teams to deliver high-quality solutions that meet our clients' needs.

Key Responsibilities:

- **Application Development:** Design and develop responsive web applications using the MEAN stack, ensuring optimal performance and user experience.

- **Database Management:** Create and manage MongoDB databases, including designing schemas, writing queries, and optimizing data storage.

- **API Development:** Develop RESTful APIs using Express.js and Node.js, ensuring seamless integration with front-end components.

- **Front-End Development:** Utilize Angular to create dynamic and interactive user interfaces, implementing best practices in UI/UX design.

- **Collaboration:** Work collaboratively with designers, product managers, and other developers to understand project requirements and deliver solutions on time.

- **Code Review and Maintenance:** Participate in code reviews, testing, and debugging to ensure code quality and application reliability.

- **Documentation:** Create and maintain technical documentation related to system architecture, code changes, and deployment processes.

Qualifications:

- Bachelor's degree in Computer Science, Information Technology, or a related field.

- Proven experience as a MEAN Stack Web Developer or similar role.

- Strong proficiency in JavaScript, HTML, CSS, and front-end frameworks (Angular).

- Experience with back-end technologies including Node.js, Express.js, and MongoDB.

- Familiarity with RESTful APIs and web services.

- Understanding of version control systems, preferably Git.

- Knowledge of Agile/Scrum methodologies is a plus.

- Strong problem-solving skills and ability to work independently and in a team environment.

Benefits:

- Competitive salary and performance-based bonuses.

- Flexible work hours and a positive work-life balance.

- Opportunities for professional growth and development.

- Health insurance and other employee benefits.

- A collaborative and inclusive workplace culture.

If you are passionate about web development and eager to work in a fast-paced environment, we would love to hear from you! Join Tech Innovators Pvt. Ltd. and contribute to exciting projects that make a difference.

How to Apply:

Interested candidates are invited to send their resume and portfolio to [email@example.com] with the subject line "MEAN Stack Web Developer Application."
